

Lundi – Mardi – Mercredi – Jeudi – Vendredi – Samedi – Dimanche

Se repérer sur un quadrillage

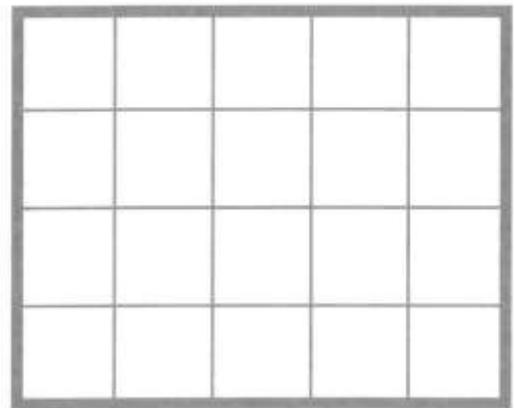

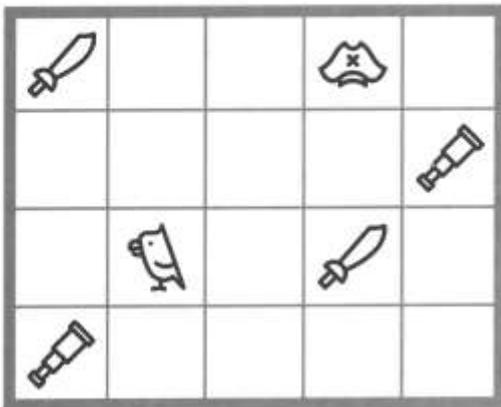

Décrire, reproduire des figures ou des assemblages de figures planes sur papier quadrillé ou uni.

Situer des objets ou des personnes les uns par rapport aux autres ou par rapport à d'autres repères.

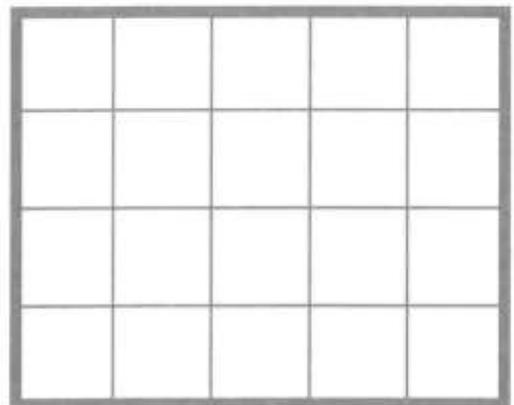

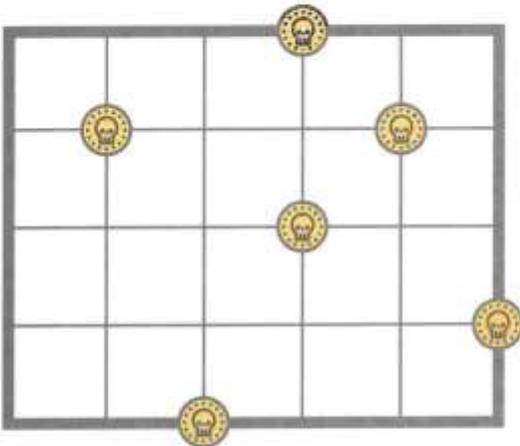

Trace une croix dans chaque case où se trouve un objet.

1

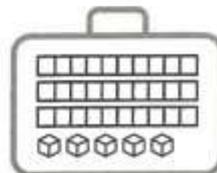

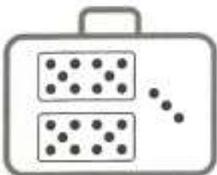

Dessine les pièces d'or comme sur le modèle.

2

Le nombre mystère: entoure l'étiquette qui ne correspond à aucune collection.
